

## **Basic Information for Business Class at GHS An Excerpt From An Intern (January)**

I had the wonderful opportunity to visit Mr. Dickerson's Business class and speak with his students about the content. Students indicated that this class requires research, problem-solving, and writing. In addition, as we work toward becoming Future Ready, this class teaches time management, responsibility, helps develop work ethic, utilizes real-world situations, requires and helps build communication skills, and allows students to become involved within the community.
