Your child will need a **mask and/or face shield** for this school year. It will be required to wear on the school bus, at various times throughout the school day, transition times around the building in the hallways, and may be asked to be worn during small groups or 1:1 times with staff. It will be sent home with the child to be washed/cleaned. Please send one back in with the child daily so that we are able to keep our students and staff healthy this school year. If you are unable to provide one for your child, one will be provided at school for them.

****Please do not label any of the school supplies with your child's name; most supplies will be used as INDIVIDUAL classroom supplies. We will label them for your child once they arrive at school. Thank you!****

If you have any questions or concerns regarding the preschool supply list please contact your child's teacher.

Thank You!!!
