

SCHOLARSHIPS

Scholarships on this page are listed in the order they have been received in the Guidance Office with the newest entries listed first. Deadline dates are given if they have been provided with the information. Where applicable, links to online applications and information will follow scholarship description. Scholarship entries will be deleted from the list as the deadlines pass. Deadlines will also be posted on the guidance calendar. All scholarship information and applications are available in the guidance office Scholarship Box.

[Scholarship with Due dates and Applications. These scholarships can be one of the following: National, Regional and Local scholarships](#)

**NOTE There is no need to pay for College Financial Aid Assistance. You can obtain scholarship and financial aid information from you high school counselor or from the colleges that you are looking to attend. In general, if you are asked to pay for assistance or a potential scholarship requires a fee to apply, you should do some in depth investigation.

** Here is a great site to go to for scholarships as well:

College-scholarships.com

www.cappex.com

[Going Merry](#) (Love this site)

A great site that helps plan for financial assistance for college.
